

NEWS RELEASE

Healthy Clean Names New President, Opens Denver Branch and Announces New Job Opportunities

Full and Part Time Residential & Commercial Cleaning Job Openings

HIGHLANDS RANCH, Colo. Feb. 12, 2013 – [Healthy Clean](#), a premier green cleaning company, headquartered in Highlands Ranch, announced today the grand opening of their new Denver branch location, its new president, Landon Harmon and they are looking to meet the company's growth by adding as many as 40 qualified residential and commercial cleaners by the end of the year.

Harmon has been with Healthy Clean since 2006 and was previously the companies vice president of marketing and sales. As president his goal is to make Healthy Clean become Colorado's leading provider of "Green" residential cleaning services.

"I'm excited to become the president of Healthy Clean and take the company to the next level," said Harmon. "The opening of our new branch in Denver will help us better serve our customers in the north Denver Metro area. We are also looking to open other branches in Boulder and Colorado Springs by the end of 2014."

Their uptick in growth has generated several job openings. Interested applicants should apply online at: www.healthycleaninc.com. Healthy Clean will be continually hiring throughout the year.

Healthy Clean is also active in the Highlands Ranch Chamber of Commerce and is an accredited member of the Better Business Bureau. Healthy Clean also participates in community events such as The Children's Miracle Network walk and Susan G. Komen's Race for the Cure.

About Healthy Clean:

Healthy Clean's mission is to deliver the highest quality of customer care and personalized service. Healthy Clean is excited to announce the Grand Opening of our new Denver location. The opening of our new branch will help us better serve our customers in the north Denver Metro area; and will assist in our Mission to become Colorado's leading provider of "Green" cleaning services. "Green" is the driving force behind our commitment to provide cleaning solutions that are safe for our customers, our employees and our planet.
