Fact Sheet

Overview:

Healthy Clean's mission is to deliver the highest quality of customer care and personalized service. "Green" is the driving force behind our commitment to provide cleaning solutions that are safe for our customers, our employees and our planet.

Facts at a Glance:

- Susan Feindt and Jackie Harmon, the mother-daughter team who own Healthy Clean.
- Reba Harmon, President
- Approximately 30 employees
- Founded in 2007.

Services:

- Ongoing cleaning
- Deep, Intensive and Spring Cleaning
- Move-in/Move-out Cleaning
- Post Construction Cleaning
- Carpet and Upholstery Cleaning

Industry Served:

- Residential – Specializing in home cleaning services, Healthy Clean is the leader in green home cleaning research and innovation. Our approach ensures the cleanliness and health of your home with one-of-a-kind products
- Commercial – Property and site managers choose Healthy Clean for reliable move in/move out services, or full service facility cleaning for your building, you can trust Healthy Clean to provide the best in performance and customer care.

Our Products:

- Healthy Clean™'s **Envirox** products are environmentally friendly, biodegradable, non-toxic and fragrance free. Envirox uses the cleaning power of hydrogen peroxide (H₂O₂), which is a molecule of water with an extra atom of oxygen attached. Not only is it chemical free, it is more effective than traditional bleach and ammonia based cleaners.

Areas Served:

- South, Southwest, and Southeast Denver metro areas.
